2025

Annual Scientific Meeting

LA QUINTA RESORT & CLUB • PALM SPRINGS, CA

FEBRUARY 20-22, 2025

What You Will Experience

This year we are planning a ground-breaking meeting under the California sun, with **32 educational sessions** headed by some of the foremost experts in cosmetic surgery.

As an attendee, you will have three days to network, learn, and share ideas with industry leaders from across the country and around the world.

Insights from Leading Experts and Cutting-Edge Cosmetic Surgery Techniques

Hear from world-famous featured speakers, including Dr. Sandra Lee (aka. Dr. Pimple Popper!) in pioneering sessions on the latest techniques and developments in cosmetic surgery, some of which include: **body contouring, face lift surgery, ultrasound-guided Brazilian butt lift, breast, rhinoplasty, liposuction, skin rejuvenation and regenerative medicine, gender affirmation**, and more.

Diverse Learning Opportunities

Experience a wide range of learning formats to suit every participant: **short abstract presentations** where colleagues will share their latest techniques, discoveries, and cases; a drop-in **Video Session** for observing in-depth surgical techniques; small-group **Coffee and Breakfast with the Experts** sessions for intimate discussions and expert insights; an **M&M Conference** focused on managing complications; a **GOAT (Greatest of All Time) Panel Pearls of Wisdom** session featuring top tips from industry veterans; and **formal poster presentations**.

Exclusive Aesthetic Training

Extend your artistic eye, roll up your sleeves, and learn the art behind the aesthetic, with the exclusive **Sculpting for Surgeons Pre-meeting Workshop**, delivered by the renowned Dr. Peter Schmid. This is a not-to-be-missed opportunity to access the teachings of Dr. Schmid in this condensed 1-day workshop focused on the female form, including live model drawing and clay sculpting.

AND MORE 

NEW TO THE ANNUAL SCIENTIFIC MEETING OR TO THE ACADEMY?

We encourage newcomers to the Academy to sign up for the **Newcomers Orientation and Breakfast** where the newest meeting attendees will become acquainted with the Academy, its members, and the annual scientific meeting.

NEWER TO THE FIELD?

Don't miss the **Expert Markings and Methodology Session** to hear "How I Do It" from the experts and build your confidence in making preoperative markings and other associated measurements. On Friday morning, a **New Surgeons and Training Fellowship Breakfast Session** will be held, curated for all prospective, current, and previous Training Fellows and new physicians in the industry.

What You Will Experience

We hope you will make plans to join us where cosmetic surgery practitioners from all over the world share new findings, new research, new techniques, new pearls, and new ideas. We have an exciting and packed event, and we look forward to welcoming you.

A Comprehensive Allied Health Track

You have the opportunity to delve into a **dedicated track for Allied Health**, featuring both practice management and clinical topics designed for mid-level providers. Our Allied Health Sub-committee has crafted comprehensive content to help you navigate the evolving cosmetic industry

Live Patient Demonstrations

Don't miss this year's **Injectables Day**, featuring a three-session track on the latest techniques and advancements in injectables. The sessions will include **live patient demonstrations** and are open to both physicians and allied health professionals.

Engaging Interactions at the Exhibit Hall

You'll want to make time in your schedule to **visit the exhibit hall** to see first-hand the many new products and services on the market! Drop in to the **Lunch with Industry** Roundtables on Friday to chat to our industry colleagues about some of their latest developments, and don't miss the opportunity to get yourself some updated **professional headshots** with our Headshot Photographer, available on Saturday morning exclusively for meeting attendees.

Networking, Socializing, and Relaxation

Be sure to save enough energy for our social and networking events. **The Welcome Reception** is open to all attendees! On Saturday afternoon, take the opportunity to combine sun, fun, and networking at our planned social events, exclusive to meeting attendees. Tee off with your colleagues for a **round of golf** at the world-famous PGA WEST Pete Dye Mountain Course; join the fun at the **Pickle Ball Social Mixer**; unwind with a **private yoga class**, or simply relax by the pool at the **exclusive cabana!**

Revel in Excellence at the Webster Society Gala

The Webster Society Gala Dinner is a highlight of the year that you won't want to miss! Join us for an unforgettable evening featuring cocktails, dinner, entertainment, and dancing. This special event celebrates the legacy of Dr. Richard Webster as we honor the 2025 Webster Society Lecture recipient, **Dr. Edward M. Zimmerman**. Come together with friends and colleagues to support a great cause and enjoy a memorable night!

Spouse Meet & Greet

Are you planning to attend the AACCS Annual Scientific Meeting in Palm Springs and wondering what activities your guests might enjoy while you are in session? We warmly invite all companions of ASM attendees to join us for an informal meet-and-greet event on Thursday morning at La Quinta Resort & Club. Collegiality is a core value of the AACCS, and we are excited to extend this spirit to our guests as well. We hope they will join us! Guests do not need to be registered for the meeting. During the event, a Palm Springs Convention & Visitors Bureau representative will share a short presentation of the most interesting and authentic places to visit around town.

The Power Of Your Breath: Transform Your Life One Breath at a Time

Susan Dunn, LMT, NMT

Susan Dunn is a dedicated lifelong healer whose passion for helping others began in 1983 when she embarked on a career in physical therapy. Her deep commitment to holistic wellness led her to become a Licensed Body Worker in 1988, where she honed her skills in understanding the intricate connection between the body, mind, and spirit.

In 2019, Susan experienced a profound medical event that became a pivotal moment in her life, prompting her to reevaluate her purpose and mission. This transformative experience inspired her to create **Elements in the Desert**, a sanctuary for healing and self-discovery. Through this platform, Susan has merged her decades of experience with a newfound focus on breathwork—a powerful modality that she believes is key to unlocking deep emotional and physical healing.

As a Breathwork Facilitator, Susan has developed a distinctive approach that sets her apart. She incorporates the use of silent headphones into her sessions, creating a uniquely personal and immersive experience that allows clients to journey inward without distraction. Accompanied by a carefully curated playlist that resonates with the heart, her sessions facilitate profound emotional releases and insights.

Over the years, Susan has successfully guided countless individuals in overcoming challenges such as childhood trauma, anxiety, grief, bodily discomfort, and depression. Her compassionate and intuitive approach empowers clients to reconnect with their inner selves, fostering greater self-awareness and lasting transformation.

Whether offering her services in person or via Zoom, Susan is committed to making her healing work accessible to all, providing a safe and supportive environment for clients to explore the depths of their emotions and emerge with renewed clarity and strength. Her work is a testament to the power of breath, presence, and the unwavering human spirit.

PRE-MEETING WORKSHOP

Sculpting the Human Figure 101: The Integration of Art & Science

Presented by Sculpting for Surgeons, LLC™

Wednesday, February 19, 2025 • 8:00AM-5:00PM
TICKET PRICE \$1,500 LOCATION La Quinta Resort & Club

Includes lunch and the clay sculpture you create

Join Dr. Peter Schmid, professional sculptor and aesthetic surgeon, as he presents his exclusive seminar, Sculpting for Surgeons, LLC™—a unique hands-on experience sculpting in clay, intensely studying the human form in order to analyze amorphisms and create balance and beauty. By connecting art with science, Dr. Schmid will explore the construction of the human body grounded in line, proportion, volume, and shape of human anatomy while working from a live female figurative model.

Didactic presentations and an interactive sculpting experience will provide perspectives that you will directly apply to patient analysis, cosmetic surgical planning, execution, and ongoing practices.

Highlights of this workshop include aesthetic structural anatomy, live professional model studies, comparative anatomy, functional anatomy as applied to form, lighting techniques, additive sculpting-in-clay techniques, and challenging one's mind, hands, and eyes to reproduce the human form in clay elegantly, accurately, and harmoniously.

**Get your hands dirty and dig deeper
into aesthetics, form, and function
of human anatomy
at this year's pre-meeting workshop!**

Register early as space is limited.

Thursday, February 20, 2025
5:30PM-7:00PM
Exhibit Hall, Fiesta Ballroom

**Unwind and
connect
with your peers**

after a full day of engaging presentations and discussions. Join us for the Welcome Reception in the Exhibit Hall, where you can enjoy a refreshing drink and embrace the relaxed California vibe.

This event is the perfect way to decompress, network, and share insights with fellow attendees in a casual and friendly setting. Don't miss out on this memorable start to our gathering!
