AMERICAN ACADEMY
OF COSMETIC SURGERY

WELCOME

Dear AACS Colleagues,

On behalf of the AACS Board of Trustees and the Annual Scientific Meeting Committee, I would like to welcome you to the 2025 AACS Annual Scientific Meeting. Our team has worked diligently this year to produce a program highlighting the expertise of our members and leaders in cosmetic surgery in all areas of our specialty.

We are delighted to have incredible keynote speakers join us this year, including Dr. Sandra Lee (aka Dr. Pimple Popper), Susan Dunn at the Women in Cosmetic Surgery session, our very own Dr. Edward Zimmerman as the winner of the prestigious Webster Award, and Dr. Elda Fisher as our closing keynote lecturer. We encourage you to attend these keynotes and learn from these renowned experts.

Prior to the meeting, join us for a study of sculpting and anatomy at Dr. Peter Schmid's Sculpting for Surgeons workshop. This promises to be a unique and engaging exploration to enrich our surgical planning and vision.

This year's educational sessions include the latest advances in our core specialty of cosmetic surgery, as well as the newest applications for technologies such as lasers, surgical devices, and artificial intelligence. We will continue to share our current best surgical approaches, findings and techniques from the experts and leaders in our field. In addition, we have a rich program for our Allied Health professionals to further develop all aspects of our practices.

In addition to the educational sessions, we have planned a host of special social gatherings. Friday night's Webster Gala will be a wonderful event for the Cosmetic Surgery Foundation where we can relax and enjoy a spectacular evening with colleagues and friends. To help us make the most of what La Quinta has to offer, at the conclusion of our meeting we have organised some fun activities for our members and their families. Head out on Saturday afternoon and join your colleagues for a relaxing afternoon of golf, swimming, pickleball or yoga here at the beautiful La Quinta Resort. And following the end of the meeting, keep the fun going at the Closing Party, hosted & sponsored by Past-President, Dr. Mark Mandell-Brown, offsite at the Citrus Club.

Again, as the Program Chair, I want to thank you for attending this meeting and enriching your continuing education with the valuable experiences and lessons from our renowned AACS surgeons and colleagues. Enjoy your time here at La Quinta!

MEETING VENUE

La Quinta Resort & Club
 49-499 Eisenhower Drive
 La Quinta, California 92253

Nestled at the base of the Santa Rosa Mountains, La Quinta Resort has been the original desert hideaway since the 1920's, featuring beautiful Spanish hacienda style casitas among lush grounds accented by fragrant citrus trees, colorful gardens, sparkling pools and fountains and picturesque courtyards.

AIRPORT AND GROUND TRANSPORTATION INFORMATION

The AACs does not provide transportation. Please plan to drive or take a rideshare.

La Quinta Resort is located 19 miles southeast of Palm Springs and 120 miles east of Los Angeles. Palm Springs International Airport (PSP) is less than 30 minutes away.

REGISTRATION DESK HOURS

LOCATION Diego Rivera 1

Wednesday, February 19, 2025	2:00PM-6:30PM
Thursday, February 20, 2025	6:30AM-6:30PM
Friday, February 21, 2025	6:30AM-6:00PM
Saturday, February 22, 2025	7:00AM-1:00PM

SPEAKER READY ROOM HOURS

LOCATION Flores Room C

Wednesday, February 19, 2025	2:00PM-6:30PM
Thursday, February 20, 2025	6:30AM-6:30PM
Friday, February 21, 2025	6:30AM-6:00PM
Saturday, February 22, 2025	7:00AM-11:00AM

Speakers must pre-load their presentation at least one day before their lecture slot.

MEETING ATTIRE

- The attire for the educational sessions is business.
- The attire for the Webster Society Gala is formal, with black tie optional (evening gowns and suits/tuxedos). The theme for the Gala this year is "A Black and White Affair", so guests are invited to dress in black and/or white.

WEATHER

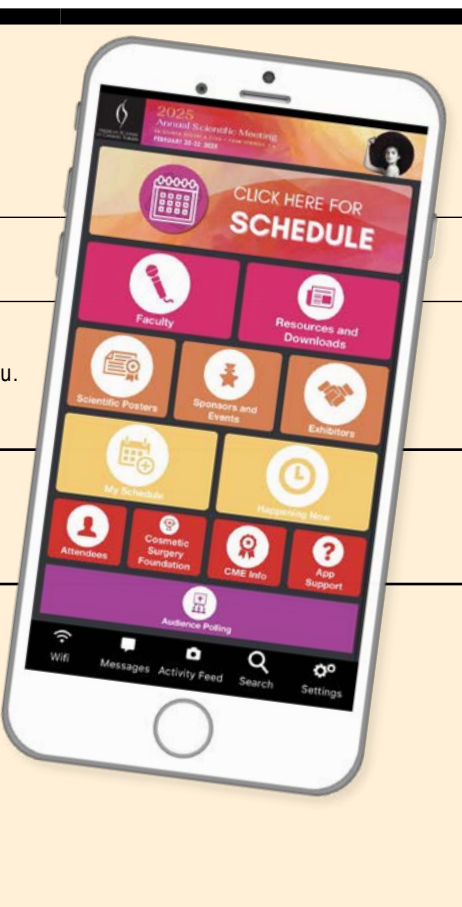

The average temperature during the end of February is 75°F/24°C high to 48°F/9°C low.

OFFICIAL LANGUAGE

The official language of the meeting is English. No simultaneous interpretation will be provided.

PERSONS WITH DISABILITIES

The AACs fully complies with the legal requirements of the Americans with Disabilities Act (ADA) and the rules and regulations thereof. If any participant in this educational activity requires support services, please notify the AACs headquarters office at 1-312-981-6760 or info@cosmeticsurgery.org as soon as possible, and preferably before Dec. 31, 2024.

<p>AACS CONFERENCE MOBILE APP</p> 	<p>1 GO TO your phone's app store. Download: AACS Meetings</p> <p><i>Note: If you have the app on your phone from last year, you will need to delete it and redownload it.</i></p> <p>2 LAUNCH the app. The 2025 meeting will be pre-populated.</p> <p>3 ENTER YOUR DETAILS. Enter your email address and the access key that was emailed to you. Click "Login".</p>	
<p>ASKING QUESTIONS IN THE SESSIONS</p>	<p>Attendees are encouraged to ask questions by submitting them via the Conference App or asking them from the floor microphones during the designated question and answer periods.</p>	
<p>TO SUBMIT YOUR QUESTION</p>	<p>OPEN the Conference app</p> <p>TAP the "Schedule" tab</p> <p>CLICK on the session in which you wish to ask a question</p> <p>TAP "Q+A" on the bottom nav bar</p> <p>TAP "Ask Question" and type your question. Indicate for which speaker, if applicable.</p> <p>TAP "Submit" when complete</p>	

COMPLIMENTARY WIFI NETWORK: LaQuinta_Meeting PASSWORD: AACCS2025 (not case sensitive)

MOTHER'S ROOM

A mother's room is available to all meeting attendees and their guests for nursing or other needs in Plaza Office 4 for the duration of the meeting.

To access the room go to the AACCS Registration Desk in Diego Rivera 1 to receive the key. The room is open during the same hours as AACCS Registration and will be available on a first-come first-served basis.

QUIET ROOM

The Grgich Room is available to all meeting attendees as a quiet space to retreat if needed. This room is intended to be a quiet and low stimulation environment and therefore all users of the room are requested to respect this by minimising noise while using the space. Phone calls are not permitted.

PHOTO POLICY

No photographs are permitted in the educational sessions.

CELLULAR PHONE POLICY

The use of cellular phones in the General Session or workshop rooms is strictly prohibited. Attendees must either turn off cellular phones or set them to silent mode.

VIDEO POLICY

No video recordings are permitted in the educational sessions.

RECORDED SESSIONS AVAILABLE

The scientific sessions will be recorded and available to those who registered for the meeting. The recordings will be available from March 15, 2025, through June 15, 2025. No CME credits are issued for viewing the recorded sessions.

CANCELLATION/REFUND POLICY

Registration fees, less an administrative fee of \$150, will be refunded upon written notice of cancellation to the AACCS headquarters office received on or before January 22, 2025. Phone cancellations will not be accepted. Registrants assume full responsibility for notification to and verification of receipt by AACCS. Please email your cancellation request to info@cosmeticsurgery.org.

Refunds or credits will not be given for failure to attend, late arrival, flight/transportation cancellations, unattended events, or early departure. In the rare event of a meeting cancellation, AACCS is not responsible for nor will provide refunds for costs associated

with travel, airfare, hotel, or transportation costs incurred by the registered attendee. It is always recommended that the registrant purchases independent travel insurance.

BADGES

An official AACCS-issued badge is required to enter the Annual Scientific Meeting. Alterations and tampering with badges is prohibited and subject to the No Badge Swapping Policy.

NO BADGE SWAPPING POLICY

You may not swap badges with other persons. Badges are issued to individuals for that individual's use and only that individual's use. Therefore, replacement badges using another name or badge swapping is prohibited.

BADGE REPRINT POLICY

A penalty fee of \$25 USD will be charged for the first reprint of lost or misplaced badges. A second reprint will incur a penalty fee of \$100 USD. Badges will not be printed a third time.

CME CREDIT STATEMENT

ACCREDITATION

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of American College of Surgeons and American Academy of Cosmetic Surgery. The American College of Surgeons is accredited by the ACCME to provide continuing medical education for physicians.

AMA PRA CATEGORY 1 CREDITS™

The American College of Surgeons designates this live activity for a maximum of **26.25 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Award of CME credits by ACS is based on compliance of the program with the ACCME accreditation requirements and does not imply endorsement by ACS of the content, the faculty, or the sponsor of the program.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the learner to earn credit toward the CME of the American Board of Surgery's Continuous Certification program.

HOW TO CLAIM CME CREDIT

Complete the online "Evaluation & CME Claim Form" within 25 days of the conclusion of the meeting, or by Wednesday, March 19, 2025.

To assist you in calculating the number of CME hours for which you are eligible, please refer to the CME worksheet in your registration packet. Do not return the worksheet at the registration desk. Rather, claim your CME by completing the online form at the link or QR code below. The online form is titled, "Evaluation & CME Claim Form."

<https://www.surveymonkey.com/r/M5NV38Q>

ACCESSING YOUR CME CERTIFICATE

Those who submitted the online "Evaluation & CME Claim Form" by Wednesday, March 19, 2025, are eligible to receive a CME certificate. Your CME certificate will be available by April 4, 2025, within your record in the AACS Learning Engagement Portal, <https://cme.cosmeticsurgery.org/>. An email will come from the AACS when your certificate is ready for download.

Deadline to Claim CME Credit: March 19, 2025

EVALUATION

The AACS 2025 Annual Scientific Meeting Committee requests that you complete the overall evaluation survey you will receive via email in the days following the in-person meeting. Your feedback is very valuable to us. We make changes to the meeting and faculty based on your comments. Thank you for your participation!

DISCLOSURE INFORMATION

In accordance with ACCME regulations, the accredited provider, the American College of Surgeons, must ensure that anyone who is in a position to control the content of the education activity has disclosed all financial relationships with any commercial interests (termed by the ACCME as "ineligible companies") in the last 24 months before their involvement of the educational activity. Please find the listing on the meeting website at: <https://aacs2025.cosmeticsurgery.org/>

PROGRAM OBJECTIVES

- Apply a contemporary understanding of techniques and research in their cosmetic surgery practice.
- Demonstrate existing limitations in their practice and develop judicious plans to overcome them or establish prudent practice restrictions.
- Improve patient care, safety and aesthetic outcomes.
- Diagnose various complications in face and body cosmetic surgery.
- Describe established techniques and options for various procedures.
- Introduce appropriate procedures and aesthetic offerings to patients with maximum benefit and safety.
- Distinguish the risks and benefits of surgical vs. non-surgical approaches through appropriate clinical analysis.
- Evaluate the value of new technologies and strategies for anti-aging effects.

Submitted and accepted abstracts are published in the March 2025 issue of the **American Journal of Cosmetic Surgery** online-only issue, which is open access during the 2025 AACS Annual Scientific Meeting. The article can be viewed via the link in the Meeting App.

4:30PM-5:15PM	Head, Neck, Hands and Feet
5:15PM	Adjourn

Maria Lombardo, DO, FAACS
Workshop Chair

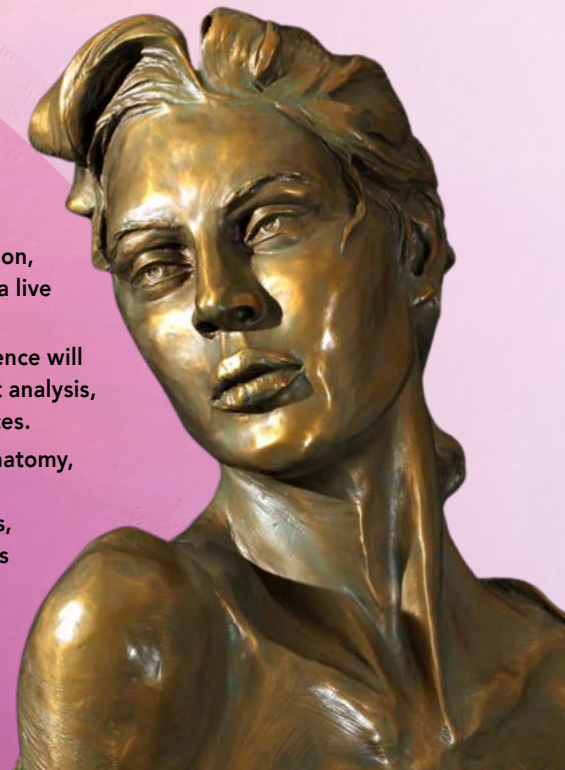

Peter Schmid, DO, FAACS
Workshop Instructor

Join Dr. Peter Schmid, professional sculptor and aesthetic surgeon, as he presents his exclusive seminar, Sculpting for Surgeons, LLC™—a unique hands-on experience sculpting in clay, intensely studying the human form in order to analyze amorphisms and create balance and beauty. By connecting art with science, Dr. Schmid will explore the construction of the human body grounded in line, proportion, volume, and shape of human anatomy while working from a live female figurative model.

Didactic presentations and an interactive sculpting experience will provide perspectives that you will directly apply to patient analysis, cosmetic surgical planning, execution, and ongoing practices.

Highlights of this workshop include aesthetic structural anatomy, live professional model studies, comparative anatomy, functional anatomy as applied to form, lighting techniques, additive sculpting-in-clay techniques, and challenging one's mind, hands, and eyes to reproduce the human form in clay elegantly, accurately, and harmoniously.

THURSDAY | FEBRUARY 20, 2025

6:30AM-6:30PM	Registration Open Diego Rivera 1
6:30AM-6:30PM	Speaker Ready Room Flores Room C

Breakfast & Orientation

THURSDAY | FEBRUARY 20, 2025

7:00AM-7:45AM

TICKET PRICE No charge, but must register in advance.
LOCATION Flores Ballroom 5

New to the AACS Annual Scientific Meeting? This session is aimed at welcoming first-time ASM attendees. Start your weekend with breakfast hosted by Dr. Mark Mandell-Brown. Build connections with experienced attendees, meet other first-timers, and enjoy a warm and friendly introduction to the meeting.

THURSDAY | FEBRUARY 20, 2025

9:00AM-10:00AM

LOCATION Las Brisas 1 UPPER LEVEL

We warmly invite all companions of ASM attendees to join us

for an informal meet-and-greet event on Thursday morning at La Quinta Resort & Club. Collegiality is a core value of the AACS, and we are excited to extend this spirit to our guests as well. We hope they will join us! During the event, a Palm Springs Convention & Visitors Bureau representative will share a short presentation of the most interesting and authentic places to visit around town. We encourage guests to then coordinate their own informal plans to tour together in the subsequent days.

PALM SPRINGS ORIENTATION & Spouse/Guest Meet & Greet

Are you planning to attend the AACS Annual Scientific Meeting in Palm Springs and wondering what activities your guests and family might enjoy while you are in session?

Guests do not need to be registered for the Annual Scientific Meeting to attend the Orientation. If your spouse or guest plans to attend the Orientation, please email Kelly Van Zandt at kvanzandt@cosmeticsurgery.org. However all are welcome to attend regardless of prior notice.

8:25AM-8:30AM	5 Group Photo	

KEYNOTE SPEAKER Susan Dunn, LMT, NMT

Breathwork is rapidly gaining recognition for its profound transformational benefits, and for good reason. In this session, led by experienced Breathwork Facilitator Susan Dunn, you'll be guided through the practice of Conscious Connected Breathwork—an active breathing technique that involves deep, continuous breaths without pauses between inhales and exhales. This powerful practice can help you release emotional blockages, reduce stress and anxiety, increase oxygen flow, and promote deep relaxation and mindfulness.

By focusing on the breath and allowing it to flow naturally, you'll cultivate a deeper connection with yourself and your emotions, leading to enhanced well-being and greater self-awareness. Throughout the class, Susan will also introduce you to various breathwork styles, offering insights into the best techniques to share with your patients, colleagues, and loved ones, helping them to experience the transformative power of breathwork as well.

Session supported by a sponsorship from Arthrex.

The Women in Cosmetic Surgery (WiCS) Section is a special interest section within the AACS open to any AACS member. The goal of the WiCS Section is to enable women surgeons to develop their individual potential as professionals and promote an environment within the AACS that fosters inclusion, respect, and success. The WiCS Committee developed the WiCS Session to be inspirational, educational, and foster friendships and connections.

ALL ARE WELCOME
We encourage attendees to wear purple for this event.

Flores Ballroom 1-4 • La Quinta Resort & Club

AMERICAN ACADEMY
 OF COSMETIC SURGERY

THE WEBSTER SOCIETY

The Webster Society was named after Dr. Richard Webster, the "Father of Cosmetic Surgery," who was a generous educator and stood for the principles of inclusivity, education, and patient safety.

Dr. Richard Webster

Those who donate \$1,200 per year, or what equates to \$100/month, to the Cosmetic Surgery Foundation become a member of this special group. Webster Society donors receive 2 tickets to the Webster Event plus other acknowledgments. The donation is tax deductible as a charitable donation.

Please consider showing your support of the AACCS & CSF by joining the Webster Society! You may make your donation at the same time as registering for the Annual Scientific Meeting.

Even if you are not a member of the Webster Society, we cordially invite you to attend the Webster Gala. All are welcome! Tickets may be purchased during the Annual Scientific Meeting registration process.

WEBSTER SOCIETY GALA TICKET PRICE

Difficult Cases and Complication Management**

MODERATORS

Marco Barusco, MD, FAACS, FISHRS
Lisa Chipps, MD, MS, FAACS, FAAD

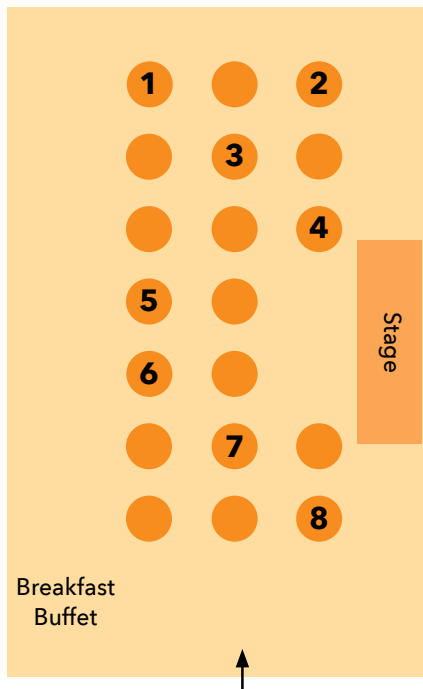

Join us for our yearly Breakfast with the Experts, an interactive and informal session open to all attendees on a first-come, first-served basis! This year our experts will be discussing complications and difficult cases in their specialty areas. Come ready to share your ideas, thoughts, and questions, or even a difficult case you have experienced. The goal is to participate in engaging conversations with an expert in the field and with others who share your interest in the topic. These sessions are all about dialogue – not formal presentations – so let your curiosity lead the way!

Participants are encouraged to bring cases for discussion.

Breakfast will be served in the session room from 7:00AM.

TABLE TOPICS	TABLE LEADERS
1 Chemical Peels	Suzan Obagi, MD, FAACS

**SESSION 1
 OPENING SESSION**

Sandra Lee, MD, FAACS

*SkinPhysicians and Surgeons; Forefront Dermatology
 Upland, California*

Based in Southern California, Dr. Sandra Lee is not just your typical board-certified dermatologist. Known for her entertaining and engaging digital content about medical procedures and skin care topics, Dr. Lee—also known as Dr. Pimple Popper—represents a “new wave” of skin experts by taking the business of skin health and skincare seriously while using a relatable approach that is on a human and attainable level. As Dr. Pimple Popper on social media and YouTube, Dr. Lee offers light-hearted but real solutions to common skin concerns such as acne, cysts, rosacea, and more. Dr. Lee’s social media influence is global, as she impressively pulls in 2-4 million views per day, or about 80-90 million views per month. She has 16.7 million followers on TikTok, 4.7 million followers on Instagram, and Facebook posts that reach upwards of 5-6 million users. Additionally, with over 8.7 million subscribers on YouTube, the Dr. Pimple Popper videos have been watched over 5.5 billion times equating to over 42,000 years of streaming video (stats updated November 2023). Premiering in 2018, TLC network’s Dr. Pimple Popper television show is currently in its 10th season.

*The Power Of Your Breath: Transform Your Life
 One Breath at a Time*

Susan Dunn, LMT, NMT

Susan Dunn is a dedicated lifelong healer whose passion for helping others began in 1983 when she embarked on a career in physical therapy. Her deep commitment to holistic wellness led her to become a Licensed Body Worker in 1988, where she honed her skills in understanding the intricate connection between the body, mind, and spirit. In 2019, Susan experienced a profound medical event that became a pivotal moment in her life, prompting her to reevaluate her purpose and mission. This transformative experience inspired her to create Elements in the Desert, a sanctuary for healing and self-discovery. Through this platform, Susan has merged her decades of experience with a newfound focus on breathwork—a powerful modality that she believes is key to unlocking deep emotional and physical healing. As a Breathwork Facilitator, Susan has developed a distinctive approach that sets her apart. She incorporates the use of silent headphones into her sessions, creating a uniquely personal and immersive experience that allows clients to journey inward without distraction. Accompanied by a carefully curated playlist that resonates with the heart, her sessions facilitate profound emotional releases and insights. Over the years, Susan has successfully guided countless individuals in overcoming challenges such as childhood trauma, anxiety, grief, bodily discomfort, and depression. Her compassionate and intuitive approach empowers clients to reconnect with their inner selves, fostering greater self-awareness and lasting transformation. Whether offering her services in person or via Zoom, Susan is committed to making her healing work accessible to all, providing a safe and supportive environment for clients to explore the depths of their emotions and emerge with renewed clarity and strength. Her work is a testament to the power of breath, presence, and the unwavering human spirit.

SESSION 29

Beyond the Binary - Evolving Practices in Gender Affirmation Surgery

Elda Fisher, MD, DMD, FACS

Associate Professor of Surgery;
 Division of Plastic, Maxillofacial, and Oral Surgery;
 Duke University Department of Surgery
 Durham, North Carolina

Dr. Elda Fisher is an associate professor of surgery at Duke University. She specializes in facial aesthetic surgery and gender affirmation surgery. Dr. Fisher attended medical school and completed her surgical residency program at the University of North Carolina. Following residency training, she completed a fellowship in fullbody and facial aesthetic surgery. Dr. Fisher is board certified in Oral and Maxillofacial Surgery through the American Board of Oral and Maxillofacial Surgery (ABOMS) and in General Cosmetic Surgery through the American Board of Cosmetic Surgery (ABCS). She is a fellow of the American College of Surgeons and has lectured globally on facial aesthetic surgery, gender affirmation surgery, and corrective maxillofacial surgery. Dr. Fisher is an active member of several professional organizations including the American Association of Oral and Maxillofacial Surgeons (AAOMS), American College of Oral and Maxillofacial Surgeons (ACOMS), Association of Women Surgeons, and World Professional Organization for Transgender Health. Prior to her current role as fulltime faculty in the Division of Plastic and Maxillofacial Surgery at Duke University, Dr. Fisher served as the program director for the Oral and Maxillofacial Surgery residency program at the University of North Carolina and as the Director of Facial Gender Affirmation Surgery where she maintains an adjunct appointment. Additionally, she serves as faculty at hands-on courses in cosmetic surgery, craniomaxillofacial trauma surgery, and facial feminization surgery, and she lectures regularly to residents and practicing surgeons. Her research interest includes the role of orthognathic surgery as a component of gender affirmation surgery. Dr. Fisher is an expert in the field of facial gender affirmation surgery including facial feminization and masculinization surgery and has wide interdisciplinary and international recognition as a leader and innovator in this field.

POSTER SCHEDULE

POSTER SET-UP & DISMANTLE		
Wednesday February 19	3:00PM-6:00PM Set-Up	Flores Foyer
Saturday February 22	12:15PM-1:00PM Dismantle	Flores Foyer
POSTER VIEWING		
Thursday February 20	7:00AM-2:30PM 3:00PM-7:00PM	Flores Foyer Fiesta Ballroom, Exhibit Hall
Friday February 21	8:30AM-11:00AM 11:30AM-5:15PM	Fiesta Ballroom, Exhibit Hall Flores Foyer
Saturday February 22	7:00AM-12:15PM	Flores Foyer
FORMAL POSTER PRESENTATION must stand by your poster		
Friday February 21	10:30AM-11:30AM	Fiesta Ballroom, Exhibit Hall
POSTER AWARDS SESSION AACS Business Town Hall and Awards Luncheon		
Friday February 21	12:45PM	Flores Ballroom 1-4

Posters will be displayed in the Fiesta Ballroom (Exhibit Hall) and Flores Foyer during the Meeting. NOTE: Our team will relocate the poster display during the conference but will not hang or dismantle posters. This is the responsibility of poster presenters.

POSTER JUDGING AND AWARDS

Scientific Posters will be judged by the Cosmetic Surgery Foundation based on:

- Originality
- Research Methods & Results
- Presentation
- Conclusion

Winners will be announced during the **AACS Business Town Hall and Awards Luncheon** Friday, February 21 | 12:45PM | General Session Room – Flores Ballroom 1-4
Monetary prizes will be awarded!

IMPORTANT: To be eligible for a poster award, presenters must both submit the digital version of their poster by the stipulated deadline and hang their paper poster at the meeting. Failure to do so will disqualify the presenter from consideration for an award.

Presenters may withdraw their poster from consideration for judging on request.

ATTENDEE DUE DILIGENCE

An exhibitor's participation in the Annual Scientific Meeting is not an endorsement by the AACS of the exhibitor, its products or services, or information provided by the exhibitor. AACS makes no representations or warranties regarding any exhibitor or its products or services. An attendee's decision to purchase and use an exhibitor's product or service is at the attendee's sole risk. Due to the international nature of the Annual Scientific Meeting, exhibitors from many countries may exhibit at the Annual Scientific Meeting.

It is the responsibility of each attendee to practice due diligence and evaluate an exhibitor's products or services to determine whether the exportation, importation, licensing, or use of an exhibitor's products or services is consistent with the law and medical rules, standards, and ethics applicable to the attendee

EXHIBITS

You are invited to visit the exhibit show at the Annual Scientific Meeting. Companies of interest to cosmetic surgeons will be displaying their products and services. Representatives will be available to answer questions.

ABOUT THE ACADEMY

The American Academy of Cosmetic Surgery is the professional society for physicians from all specialties looking to advance their skills in cosmetic surgery and promote patient safety.

With more than 13 million people undergoing cosmetic surgery procedures today, now, more than ever, cosmetic surgeons are seeking new and innovative products and services to ensure excellent and safe outcomes and to grow their practices.

Established in 1985, and today serving more than 1,600 members, the Academy supports cosmetic surgery professionals with education and training opportunities that will provide them with the tools to consistently offer high quality patient care. From live surgery workshops and WebClinics to our Annual Scientific Meeting, the AACS provides year-round opportunities for physicians to come together and share the latest and best cosmetic surgery techniques, research, business strategies, technologies, and products.

MISSION STATEMENT

We provide education, professional development and advocacy to advance the multi-specialty, global discipline of cosmetic surgery and aesthetic medicine.

NOT A MEMBER OF THE AACS? CONSIDER JOINING.

WHY BEING A MEMBER MATTERS

Because your patients expect the best.

That's why the AACS exists. We know you have to stay at the top of your field to thrive in the competitive and constantly evolving world of cosmetic surgery. Through our cosmetic surgery education and training, practice resources, and advocacy, we work tirelessly to make sure you are the best cosmetic surgeon you can be.

To elevate your reputation.

Membership in AACS means something – to your patients, your colleagues, the public. Your membership in AACS shows you support the highest standards in cosmetic surgery patient safety, ethics, and education. As an approved member, your colleagues and patients can trust your commitment to high quality cosmetic surgery care and outcomes.

To build a thriving cosmetic surgery practice.

AACS members are not only expert surgeons, they are also business owners. Only AACS designs practice management solutions and education exclusively for cosmetic surgeons and practices. From our Find A Cosmetic Surgeon patient referral tool to a Career Center for recruiting personnel and leasing equipment, AACS can help you and your practice thrive.

To protect your right to practice.

AACS has your back. We are on the front lines at the state and local level advocating for your right to practice, and your right to advertise. When it comes to protecting your right to practice cosmetic surgery, no other group stands up for you like AACS.

THE VALUE OF AACS MEMBERSHIP

Your reputation. Your AACS membership shows you support the highest standards in patient safety, ethics, and education. As an approved member, your colleagues and patients can trust your commitment to high quality care and outcomes. In addition, all of our members enjoy discounted registration on all AACS continuing medical education (CME) programs.

RULES AND PROPER ETIQUETTE

The Annual Scientific Meeting is an educational activity. Attendees are expected to maintain professional etiquette and extend proper courtesies. Inappropriate behaviors will not be condoned.

Soliciting business in the meeting rooms or spaces is prohibited. Only registered exhibitors, in the Exhibit Hall, may solicit business. There will be no distribution of handouts, flyers or promotional items other than the official Abstract Book, or other than exhibitor items in the exhibit hall. Any handout or flyer intended for the handout table by the registration desk must be pre-approved by the AACS CEO/Executive Director. Any unapproved handouts will be removed and discarded. Inappropriate postings in the conference app or other meeting spaces or message boards will be removed and discarded.

The timing of any private ancillary meeting must be approved by the AACS.

DISCLAIMER Registrants understand that the material presented at the Annual Scientific Meeting has been made available under sponsorship of the American Academy of Cosmetic Surgery (AACS) for educational purposes only. This material is not intended to represent the only, nor necessarily the best, method or procedure appropriate for the medical situations discussed, but rather is intended to present an approach, view, statement or opinion of the faculty which may be of interest to others. As an educational organization, the AACS does not specifically approve, promote or accept the opinions, ideas, procedures, medications or devices presented in any paper, poster, discussion, forum or panel at the Annual Scientific Meeting. Registrants waive any claim against AACS arising out of information presented in this Meeting.

Registrants understand and acknowledge that volunteer patients may have been asked to participate in the Annual Scientific Meeting sessions for educational and training purposes. Registrants shall keep confidential the identity of, and any information received during the Annual Scientific Meeting regarding, such volunteer patients.

Registrants further understand and agree that they cannot reproduce in any manner, including, without limitation, photographs, audiotapes and videotapes of the Annual Scientific Meeting sessions. All property rights in the material presented, including common law copyright, are expressly reserved to the presenter or to the AACS. The sessions may be audio, videotaped, or photographed by the AACS.

By attending this program, in no way does it suggest that participants are trained and/or certified in the specialty of cosmetic surgery.

All speakers, topics, and schedules are subject to change without prior notification and will not be considered reasons for refund requests.

Registrants agree to abide by all policies and procedures of the AACS. Registrants waive any claim against AACS for injury or other damage resulting in any way from course participation.

THE AMERICAN ACADEMY OF COSMETIC SURGERY'S
COSMETIC SURGERY FOUNDATION
 for Education, Research, and Patient Safety

The Cosmetic Surgery Foundation (CSF) is the first and only organization solely dedicated to advancing the interests of the cosmetic surgery industry.

Founded in 2000, the CSF is the 501(c)(3) research and education arm of the American Academy of Cosmetic Surgery, committed to raising awareness and expanding our knowledge through funding innovative research, educational programs, and training initiatives.

With over \$1 million awarded in research and educational grants, our Foundation has driven significant advancements, benefiting physicians and patients around the globe.

MISSION STATEMENT

The Cosmetic Surgery Foundation is the first and only organization to represent the interests of cosmetic surgery. The Foundation maintains a steadfast commitment to the advancement of the science of cosmetic surgery and the enhancement of patient safety and trust.

Dr. Richard Webster

The Webster Society was named after Dr. Richard Webster, the “Father of Cosmetic Surgery,” who was a generous educator and stood for the principles of inclusivity, education, and patient safety.

SHAPE THE FUTURE OF COSMETIC SURGERY

Support the Specialty

WAYS TO GIVE

Webster Society \$1,200

Webster Society donors are recognized for their support of Dr. Richard Webster’s mission of Inclusivity, Education, and Patient Safety with a special logo they can use on their website. Webster Society donors are listed on the AACS website for a year and in an issue of *The Consult*. At the Annual Scientific Meeting, they receive two tickets to the Webster Dinner and an acknowledgment ribbon for their name badge.

Leader \$750

CSF Leaders are recognized at the AACS Annual Scientific Meeting with an acknowledgment ribbon for their name badge. They are also be listed on the AACS website for a year and in an issue of *The Consult*.

Ambassador \$500

CSF Ambassadors are recognized at the Annual Scientific Meeting with an acknowledgment ribbon for their name badge. They are also be listed on the AACS website for a year and in an issue of *The Consult*.

Advocate \$250

CSF Advocates are recognized at the AACS Annual Scientific Meeting with an acknowledgment ribbon for their name badge. They are also be listed on the AACS website for a year and in an issue of *The Consult*.

Supporter

CSF Supporters are listed on the AACS website and in an issue of *The Consult*. Please use this donation level to make a donation in any amount.

Research Grant in Honor of (name)

In support of the CSF mission to advance the cosmetic surgery specialty with a focus on patient safety, CSF offers this unique donor level. Donors who commit to donating \$5,000 annually may have a research grant named to recognize, honor, and celebrate people that have been instrumental in their career or have contributed to the cosmetic surgery specialty.

DONATE NOW

Donate online by scanning the QR code or visiting our website

<https://www.cosmeticsurgery.org/donations/>

Join the Webster Society & Receive Two Tickets to the 2025 Webster Society Gala Dinner

With a tax-deductible donation of \$1,200 or just \$100 per month, you'll literally get a seat at the table—two seats actually—at the Webster Society Gala at the Annual Scientific Meeting.

THANK YOU FOR YOUR GENEROSITY AND COMMITMENT TO ADVANCING COSMETIC SURGERY.

AMERICAN ACADEMY
OF COSMETIC SURGERY

Intensive Blepharoplasty Master Class – Small Group

Emilio Justo, MD, Program Director
Arizona Eye Institute & Cosmetic Laser Center
Sun City West, Arizona USA (Phoenix metro area)
Sponsored by: The American Academy of Cosmetic Surgery

General Outline:

Day 1 - Shadow on 25-27 eyelid surgery consultations. Learn patient evaluation, selection, and documentation principles. Discuss management of post-operative complications.

Day 2 and 3 - Observe approximately 10 surgical cases per day. Master CO₂ laser techniques and understand its benefits for blepharoplasty.

Two date options:

April 28-30, 2025
September 15-17, 2025

Physicians may opt for the 3-day or 2-day course.

Class capacity: 1-5

Top Reasons to Incorporate Upper Eyelid Blepharoplasty

- **Increased Revenue:** Significant financial growth for ANY medical practice (surgical, non-surgical or medspa)
- **Patient Satisfaction:** Enhance appearance, self-confidence, and improved functionality (reduction in tiredness, heaviness, and increased peripheral vision)
- **Short Procedure Time:** Streamlined 20-minute procedure under local anesthesia with or without oral sedation.

Registration Pricing:

Includes a detailed, spiral-bound syllabus, 175 pages, plus PDF version on USB drive, live surgery videos and reference materials for future use, and certificate of completion.

3-Day Option:

AACS Physician member attendee - \$7,500
Physician non-member attendee - \$9,500
AACS Training Fellow - \$5,500

2-Day Option:

AACS Physician member attendee - \$6,000
Physician non-member attendee - \$8,250
AACS Training Fellow - \$4,500

Bilateral Upper Eyelid
Blepharoplasty

Before After

Upper Eyelid
Blepharoplasty

Before After

About the Instructor:

Since 1989, Dr. Emilio Justo has specialized in general ophthalmology and cosmetic surgery. He is renowned for his state-of-the-art refractive cataract surgery and blepharoplasty, having performed over 50,000 such procedures.

Pay It Forward: Become a Program Director for an AACS Certified Fellowship

ABCS and ABFCS Diplomates, are you ready to lead the next generation of cosmetic surgery professionals? We are seeking passionate and experienced Program Directors to become part of our esteemed AACS Certified General and Facial Cosmetic Surgery Fellowship Programs. Additionally, with a growing demand for specialized training in Facial Cosmetic Surgery, we are looking for qualified directors to cultivate a diverse range of skills and expertise among our Training Fellows.

As a Program Director, you'll play a crucial role in shaping future practitioners, ensuring they receive comprehensive training that meets the evolving needs of the industry. The ideal candidates will possess the necessary credentials and commitment to uphold the high standards of our fellowships, including medical licensure, board certifications, and a passion for mentorship and education in cosmetic surgery.

This is your opportunity to make a lasting impact in the field while providing hands-on training and guidance to the next generation of surgeons.

Thermage FLX

The Thermage® FLX System is a radiofrequency system indicated for non-invasive treatment of wrinkles and rhytids, including periorbital wrinkles and the upper and lower eyelids, as well as for temporary reduction in the appearance of cellulite. The Thermage® FLX System is contraindicated for use in patients with an implantable pacemaker, an automatic implantable cardioverter / defibrillator (AICD), or any other implantable electrical device. The most frequently reported side effects during treatment are mild to moderate pain. The most frequently reported side effects after treatment are burns, surface irregularities, altered sensations, lumps or nodules, hyperpigmentation, bruising, erythema, swelling, itching and reactivation of Herpes Simplex.

The Thermage system is Rx Only. See the Operator Manual for detailed directions, proper use, and full risk and safety information. For additional product information, see www.thermage.com/hcp.

Clear + Brilliant

The Clear + Brilliant® system is a non-ablative laser indicated for general skin resurfacing. Contraindications include, but are not limited to actinic keratosis, melasma, rosacea, or other significant skin conditions (e.g., skin cancer, active infections, cold sores, open wounds, rashes, burns, inflammation, eczema, psoriasis), predisposition to keloid formation or excessive scarring, and use in patients who are immunocompromised and use of systemic steroids. Use of retinoids, botulinum toxin injections, and dermal fillers should be avoided for at least 2 weeks prior to treatment. Mild to moderate erythema and edema typically develops immediately after treatment and typically resolves within 12 to 24 hours after treatment and itching or dryness will gradually clear. The most common adverse events include burns, blisters, scabbing, and hyperpigmentation. **See the Operator Manual for detailed directions, proper use, and full risk and safety information. For additional product information, visit www.clearandbrilliant.com/hcp.**

Clear + Brilliant is contraindicated in patients with certain skin conditions, predisposition to keloid formation or excessive scarring and patients who are immunocompromised. Rx Only - see Operators Manual for proper use and full Important Safety Information at www.clearandbrilliant.com/hcp.

Fraxel

The Fraxel® Laser Systems are indicated for:

- o **Fraxel® 1550nm:** dermatological procedures requiring the coagulation of soft tissue; skin resurfacing procedures; treatment of dyschromia and cutaneous lesions, such as, but not limited to lentigos, solar lentigos, actinic keratosis, and melasma; and treatment of periorbital wrinkles, acne scars, and surgical scars.
- o **Fraxel® 1927nm:** dermatological procedures requiring the coagulation of soft tissue; treatment of actinic keratosis; treatment of pigmented lesions, specifically lentigos, solar lentigos, and ephelides.

Contraindications include patients with predisposition to keloid formation or excessive scarring; Changes following surgery; Skin indentations and textural changes following surgery; Systemic steroids which should be avoided prior to and throughout the course of treatment; and Patients undergoing isotretinoin acne treatment or with drugs in a similar class or in patients who are ineligible for general surgery. Protective eyewear or goggles should be worn by the patient, operator and assistant. Adverse events may include blistering and burns, skin discoloration, eye injury, infection, keloid formation, prolonged redness, scarring, delayed wound healing or skin textural changes and temporary bruising. **The Fraxel® Laser Systems are Rx Only. See the Operator Manual for detailed directions, proper use, and full risk and safety information. For additional product information, see www.fraxel.com/hcp.**

VASERlipo

VASERlipo® is indicated for the fragmentation, emulsification, and aspiration of subcutaneous fatty tissue for aesthetic body contouring. VASERlipo contraindications include patients with obesity, diabetes, blood clotting disorders, heart, lung, or circulatory system disease, or vascular problems, including common circulation problems and coagulation problems associated with certain medications. In addition, the presence of collagen, scarring, or connective tissue disorders, presence of stretch marks or potential for stretch mark formation, and patients with Lupus Erythematosus, Endocrine disorders and Pregnancy, or the possibility of pregnancy may affect the safety or effectiveness. VASERlipo will not produce significant weight loss. Blood loss volume and endogenous body fluid loss may adversely affect intra and/ or postoperative hemodynamic stability and patient safety. Reimplanted harvested fat is only to be used without any additional manipulation. Limit removal of fat to only what is necessary to achieve a desired cosmetic effect.

VASERlipo is Rx Only. See the Operator Manual for detailed directions, proper use, and full risk and safety information. For additional product information, see www.vaser.com/hcp.
